## Additional Information

### Statements of Account

Ashfield Boys High School will send student statements of account each term directly to parents via email using a system called School Bytes. These statements will include a link to make secure payments online through the Westpac Parent Online Payment (POP) system (Visa/Mastercard credit and debits cards accepted.)

### Making a Payment – School Bytes

The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction. By default, all the students linked to your account will be displayed, select a student's name to view the charges linked with that student.

Once your portal is activated you can use it to give consent for events, process online payments and view the school calendar. If the charge is related to an activity/event consent must be given before making a payment.

**Please note:** Transactions made through the online payment portal will appear on your bank statement as 0SCHOOLSONLINE 0000 PARRAMATTA AU.

### Detailed steps to access your parent portal and make payments:

1. Log into the parent portal – <https://portal.schoolbytes.education/auth/login>
2. Select the statement of account icon.
3. Select the charges to pay
4. Confirm or edit the balance to be paid for each charge
5. Select pay now
