YEAR 12 CONTRIBUTIONS

Dear Parent/Guardian

There are two types of Contributions General School Contributions and Subject Materials Levy.

General School Contributions are voluntary contributions. They are extremely important to the effective running of the teaching and learning programs that we provide at Ashfield Boys High School. The school uses these contributions to purchase additional library books, teaching resources, computer software and hardware to improve the education our students receive.

Due to the changes in the Curriculum, ongoing costs in the increase of textbooks and compensation for loss of textbooks, students will now have to pay a textbook bond in the senior years. It has been necessary to introduce a Textbook Bond and a levy for Technology and Library resources. ***This bond is refundable when the textbooks have been returned at the end of the year.***

Subject Materials Levy is used to buy materials used by students in practical classes. These include wood, electronics, paint, food, paper and clay. Materials that are used and consumed in elective classes must be paid for (or provided) by the student, parent or caregiver. All families were advised of subject contributions before elective classes were selected.

If you are experiencing financial hardship please contact the Deputy Principal to discuss this. All family contact with the school regarding contributions will be treated confidentially.

Please do not hesitate to contact the school on 9798 6620 if you wish to discuss these matters.

*Mr D. Hopwood
Principal*

The **Voluntary General School Contribution** for **Year 12** in 2016 is **\$35. Pop Code 046-016**. Plus the following levies of \$285, **totalling \$320**. Please note there is a \$20 discount if paid by 21 March 2016.
