The week that was.

The High Resolves Annual Leadership Summit was successfully held on 1st November 2012 at the University of New South Wales with participants from High Resolves schools. Ashfield Boys High School was represented by selected Year 9 and Year 10 High Resolves Leaders accompanied by their respective Year Advisers, Mr Tenefrancia and Mr McCusker.

The theme of the summit was Global Leadership where student leaders had the opportunity to hear inspiring leading thinkers and national leaders as well as participation in a leadership challenge. The one-day summit was all about developing their leadership skills, thinking and acting on big issues, plus meeting with other young people passionate to make change. Moreover, this event was also about celebrating the achievements of all action projects.
