PRINCIPAL'S REPORT

It was wonderful to see the dedication and success of some of the outgoing Year 12 students recognised last night. For a number of years the former Ashfield Council has held a recognition ceremony for high achieving Year 12 students. Five of our students were presented with awards yesterday evening. Thai Thippawan was also recognised but is overseas and could not attend.

SPOOKY ENGLISH

Last Thursday Year 7 participated in Spooks Day. We have been studying the horror genre and making horror films for our assessment. On Thursday, we participated in various activities that helped us have a broader knowledge of the horror genre.

Year 7 made movies that were based on extracts of stories that they wrote. From these we progressed to planning a film and thinking about what props and settings we would use for specific scenes of the film.

We worked in groups to make the spooky, horror films, putting our ideas together through story boarding, script writing, acting, filming and editing.

On Spooks Day we participated in interesting activities such as, horror quizzes, script reading and testing our general knowledge of the horror genre. Later that night, the Year 7 films were showcased to friends and family in the hall on a horror themed night. Our films were a big success with the addition of audio, special effects and backgrounds. All of the students had lots of fun making the films, participating in Spooks Day and eating popcorn and ice cream while watching their horror films.

SCIENCE THROUGH INQUIRY EXCURSION

On Thursday 3rd November we went to Canterbury Boys High to participate in a program run by University of Sydney investigating science through inquiry. We did experiments about measuring light and the reaction between an acid and a metal. We got placed in groups with students from other schools including Canterbury Girls, Wiley Park Girls, and Belmore Boys and had to use teamwork to find our objective. Going to Canterbury Boys was really fun while learning a lot about Science.
