PRINCIPAL'S REPORT

Congratulations to the Intermediate Theatre Sports Team consisting of Oliver Bauer, Wesley Stewart, Kingston Nacagilevu, John Han, Dominic Shapiro, Sebastian Cutcherwirth and Mathew Purvis who came equal second in the NSW State semi-finals on Monday night. It is such a shame that the boys missed out on going through to the finals by only a couple of points.

Equally impressive this week were the boys Dylan Chedra, Hannan Mohammed and Minh Pham who represented the Department of Education at the huge EduTech conference at the ICC this week. The boys demonstrated ways that technology is integrated into their learning across the curriculum. It is great to see the school recognised as a leader in this area – especially since we do this so well without BYOD.

FRACTION SQUARES

#ASHFIELD

Students of 7 Mabo as an introduction to the Fractions, Decimals and Percentage topic completed a brick wall for each of these concepts. To consolidate their learning of fractions, decimals and percentages students worked cooperatively in groups to form a square puzzle. The puzzle required the students to identify which fractions belonged to which decimals.

MULTICULTURAL PLAYWRIGHT WORKSHOP

The Multicultural Playwright Workshop (28-30 May 2019) is an initiative of the Performing Arts Unit. This year is the fourth year that it has run and four of our students; Yi Jin, Nick Krisko, Andrew Matthews and Aryan Syed from the Year 9 Elective Drama class attended. All students from multicultural backgrounds were keen to attend to improve their performance, play building and writing skills. The three-day workshop was held at the Powerhouse Youth Theatre in Fairfield. Five schools across Sydney and beyond were involved, with a total of 24 students actively participating in the workshop.

All students involved were immigrants or refugees and the workshop allowed them to tell their stories. Tom and Stefo from Zeal Theatre performed *The Stones* on the first day and facilitated the student centred workshops. The students were given time to playbuild stories of their homelands and their arrival in Australia. It was my privilege to attend on the first two days to support and witness the play building process and Mr Ahearne attended the final day to watch final rehearsals and the culmination of all the hard work; the production. Congratulations to Yi, Nick, Andrew and Aryan. Their scene captured their best and worst life moments. They all said how much they enjoyed the experience and that they can use their knowledge to support work to be achieved in Drama.

EXCURSION TO THE MCA AND ART GALLERY OF NSW 28 May 2019

Year 11 will be starting a new unit of work on contemporary practice. To inform this, students had the opportunity to attend the Art Gallery of NSW and the Museum of Contemporary Art to view the National 2019 exhibition, featuring a variety of contemporary Australian Artwork. OFF TO HAMILTON!

Newcastle seems like a long way to go for an excursion, but when one of your texts is being performed there, we go! Year 12 has been studying Verbatim Theatre as one of their topics for the HSC. 'Beyond The Neck' by Tom Holloway uses the words of the community, reliving the experiences of the Port Arthur Massacre. Although a two and a half hour journey there and back, where the students studied, played chess or caught up on some well-needed sleep, the trip was worth the effort. The Performance by the ATWEA College in Hamilton was powerful and the students were energised to see a performance of the play that previously they had only experienced in classroom readings. A great day was had by all.

OHHHH....SO CLOSE!

The Semi- Final of the Intermediate TheatreSports Competition was held at ABHS on Monday evening. Ashfield Boys High was the only comprehensive school entrant amongst private, selective and independent schools. The pressure was on, as only the first and second placed teams would be going through to the finals at the Enmore Theatre. The competition was fierce, but our boys tied in second place. The audience waited in anticipation, as the judges revised the scores received by both teams in their heats. Unfortunately, with a difference of only four points overall, we were pipped at the post. The team has definitely improved their skills and their confidence. It will be exciting to see how they progress next year. The boys dedicate a lot of time and energy to their craft; extra classes learning the games, building their team and improvisational skills. I would like to take this opportunity to thank and congratulate them all for their dedication and their support of the Arts. They represent our school with pride and they act admirably in defeat. We also have an army of supporters: parents, friends and fellow students who attend the heats and cheer loudly. A special mention to Vincent and Francesco from the Senior team who give up their precious time to train the boys and get them ready for the competition. Ms Whitting is undoubtedly the biggest supporter. This program could not run without her; she dedicates so much time and her enthusiasm is infectious. Thanks also to Mr Pieterse and Mr Ahearne who ensure that the sound and lighting are in working order.

COMBINED SCHOOLS HSC DRAMA WORKSHOP

On Saturday 17th May, HSC Drama students from Ashfield Boys, Canterbury Girls, Burwood Girls, Homebush Boys and Sir Joseph Banks combined to take part in a workshop to support the students' performance work in Drama. As hosts, Ashfield Boys High School was the perfect backdrop for the day. Our performance space was an ideal venue for creativity and group work. Ashfield eateries provided a variety of choices to interest the taste buds of all participants.

The day began with introductions and discussions around the purpose of the day and expected outcomes. This was followed by a three hour performance workshop conducted by Stefo Nantso from Zeal Theatre. Following lunch, the students were divided into smaller groups, a supportive environment for performing their Individual Performance; monologues. These small, sharing groups were led by teachers from the four schools present. Students tackling other individual projects (written or design) were tutored and supported by industry professionals.

All students involved were energised and positive about the journey they were on and felt that the day provided advice that would support their projects and propel them forward.

YEAR 8 DRAMA ENSEMBLE

Drama ensemble is underway this term and the boys are currently creating some original plays based off improvised scenes. The boys have been working collaboratively on their skills as an actor throughout the year and are now putting their talent into action creating plays. Ms Small and Mr Ahearne are extremely impressed by the students' ability to work well together and create such powerful pieces of theatre. Please keep an eye out for Ashfield Boys' Creative Arts Night in Term 4 where our Year 8 Drama ensemble's talent will be on showcase!

incredible in the back line with 3 tries in the match. Isaiah Kolopeau, Vuli Tailasa and Brian Im all scored tries. Chris Vournovas, Billy-Sean Epiha and Jabez Williams defended well to the very end.
