PRINCIPAL'S REPORT

Congratulations to the boys from Year 9 who triumphed in two categories at the Regional Shakespeare Carnival last night. The boys - all named below – performed at Trinity Grammar and have made their way to the finals. A live drama performance composed by Oliver Bauer stunned the judges and the audience, as did the original short film directed by Louis Tran. The performances both presented adaptations of Shakespeare's Richard II.

The boys will compete in the finals at the Seymour Centre later this month. We will keep you posted when we have more details. Can I please also acknowledge – as the boys insisted – the huge effort of their coach Alex Whitting for all her time and energy in helping them prepare for such a competitive performance.

The final P&C Meeting for the term will be held on Monday 17th at 7pm in the Common Room. Please enter the Common Room via the Assembly Hall doors at the front of the school. It would be great to see you there.

CLASH OF TENNIS TITANS

In Round 8 last Wednesday all table tennis matches highlighted the close match by the junior doubles. It was easily the most exciting and closest result. Our team unfortunately lost to Randwick 4-3. Congratulations to all players who always play strongly for the team.

NETWORK TOPOLOGY

Year 12 IPT has been learning about Communication systems. In this lesson we were looking at Network Topology. The students were given an introduction into Bus, Ring, Star and Mesh topologies and were then spilt into small groups to research a given topology and to build an example of the given topology using blue string for cables and images of computer nodes.

YEAR 7: MIXTURES AND SEPARATING MIXTURES

#ASHFIELD

Year 7 has been making mixtures and learning different ways to separate them. They have separated muddy water, chalk water, colours in ink, and salt from water – to name a few.
