PRINCIPAL'S REPORT

Congratulations to the Year 8 debating team who are the zone champions. The team consisting of Owen Hunt, Alfie Jellet, Ben Kabanoff, Thomas Crawford, Atreiiu Arvidssen and Jacob Tran will now progress to the NSW State competition.

Over the past week every boy in Year 12 has had an individual meeting with either Nicole Pool or Janina Longman to develop an individual study plan leading up to the HSC. Nicole and I are also meeting with the group weekly to keep them on track. This is now the business end of the HSC and it is vital that every boy sticks to his study and revision plan.

Every year we participate in the Tell Them from Me Survey with every boy in the school taking part. The survey gives us really important information about the boys' wellbeing and engagement. The survey also has a parent component. It would really help us if you could complete the parent section of the survey. It can be accessed at the following link: <http://nsw.tellthemfromme.com/w5xq9>

VENN DIAGRAM MEMES

8 Eccles is learning how to draw Venn diagrams in mathematics class. In a Venn diagram, circles that intersect show common characteristics.

Venn diagrams are not only used in mathematics. Their depiction of relationships has been widely used in pictorial memes, such as the following:

Students in 8E participated in making Venn diagram memes of their own.

SMASHING THE STOCK EXCHANGE

Year 9 Commerce has been playing the stock market. They have been enrolled in the ASX Share market Game and have been making real-time stock trades. The game gives participants a simulated portfolio of \$50 000 cash and allows them to buy and sell shares on the Australian Stock Exchange. Game prices exactly match real world conditions.

By Thursday Hunson, Jake and Suleiman had surged \$6000 forward to second place, before ending ranked tenth at close of business. This is a stunning result as they are competing against 14 000 teams nationally. With a month of play to go the stock market is anyone's game but Hunson, Jake and Suleiman are running with the bulls.

THREE MATCHES, THREE WINS, THREE FANTASTIC INDIVIDUAL PERFORMANCES!

Our senior and junior futsal teams have started a new summer season with a bang by scoring 14 goals in three matches played.

U15's A match

Our captain, David had the privilege of kicking off the ball to start the new season. He led his team from the front by constantly pressing Homebush's defenders. Despite his great endeavor the nets remained intact for the first ten minutes of the game. Then, Obinna stepped in, making an instant impact. He scored twice within minutes to secure the commendable 2-0 half time lead. Then multiple missed opportunities were punished by Homebush's team. Led by Dilhan our team regained composure and scored another 2 goals (Obinna and Dilhan) to secure a memorable 4-3 win.

U15's B match

As our team is made of players who won the recent football U13's championship they were motivated to continue their winning run. We started strongly by dominating possession but failing to score goals. Then our best striker, Tanakorn moved from defence into attack, scoring straight away

from a brilliant Magnus pass. Imran was rock solid between the posts while Elyas and Alec controlled the Centre of the field. Jee Cheung, Jee Jun and Stanley brought necessary freshness from the bench. Homebush scored an equaliser only three seconds before the end of the first half.

The second half can be described by just one word "Elyas". He took it upon himself to make a difference and win a game for his team. He scored a breathtaking three goals by defeating 3 Homebush players on each occasion. Final score, Ashfield 4-1 Homebush.

2nd Grade match

Both teams started slowly, patiently waiting for an opponent to make a mistake. As a result, both teams scored from defensive mistakes. Then, all of a sudden the Homebush's team pressed hard in attack. Our players succumbed to this pressure and conceded three quick goals. With three goals down, our joker player, Placido entered the game. He worked tirelessly the entire second half making the difference on the field. Firstly, he set up Adam to score two goals, before scoring a gem by himself. He was instrumental in defence and clinical in attack. He assisted Adam on two more occasions, securing a well deserved 6-5 win.
