PRINCIPAL'S REPORT

It was wonderful to see our staff recognised for their contributions to the success of the school last week. Relieving Head Teacher HSIE James Chatwin and Admin Officer Jane Stiglic received awards for excellence at the combined network awards on Thursday evening. This recognition is well deserved.

The reach of the Financial Times Article about the school has blown me away! I was surprised to receive an email yesterday that started:

“I am the Headmaster of the English sector at a private bilingual school in Peru. I wanted to reach out to you after reading a Facebook article about the success that you have had with your school...”

CHINESE CLASSES

Year 9 Chinese

Students in Year 9 Chinese class were asked to design a Chinese story book by choosing a Chinese-culture related item as their main character. In the story book, students describe the appearance and hobby of the character; the choice of clothes; the characteristics of the bedroom in terms of size, item, tidiness and set up; and the daily routine of the character in Chinese. Students have been very creative with the design of their storybook, they wrote interesting stories such as “Run, roast Chinese pork!”, “Yin and Yang” and “The story of a big fat steamed bun”. Students in Year 9 were also able to justify the choice of the character in Chinese, and sequence the daily routine by using Chinese characters! All students were capable in introducing their character in Chinese and read out their fantastic stories confidently in front of the class!

Year 8 Chinese

Students in Year 8 Chinese classes were asked to design a menu of a food truck in Chinese. In this task, students are expected to demonstrate their understanding of the Chinese food culture and their knowledge across different types of cuisines. On the menu, Year 8 students wrote down different dishes and drinks they wanted to sell, and include a special lunch deal in Chinese. Students also included pictures of the food that are either hand drawn or selected from the internet.

Students in Year 8 presented their menu creatively in many ways. Some menus are designed for a food truck located in Okinawa, some were even designed for food trucks in Mars! In fact, Fox Silence from 8D, created an actual food truck along with a menu! Fantastic job!

WORLD WAR TWO AT ABHS

Year 9 has been investigating WWII and Australia’s involvement throughout Term 4. Students have been looking at an array of sources and information to understand the war in both Europe and the Asia-Pacific. Luca Munier-Wotton of 9E brought in two Australian newspapers from 1945. One from the end of the war in Europe on May 8, and another from the day after. It was great to see these artefacts of history. These belonged to Luca’s Great Grandmother. Thank you Luca for bringing in these interesting artefacts of history.

Expectations for Homework Centre

Your son will enter Homework Centre with an attitude to work on assessment tasks or assigned homework task.

If no assigned work, we advocate that your son acquire the skills and habits of priority study. We see this as a worthwhile investment providing the foundation for achievable study practices for his Senior Year.

For that reason could he quietly choose one of the following:

- Revision of Subjects covered that day.
- Online English help using WordFlyers or
- Mathematics using Mathspace.
- Silent Reading for Renaissance Accelerated Reading Program and complete the quizzes.
- Complete one or more of the tasks as mentioned in the success planner.
