10 - 14 Oct					

### PRINCIPAL'S REPORT

On behalf of the whole staff can I please thank everyone for the large volume of congratulations we have received after I announced that the school had been presented with the 2022 Secretary's Award for school achievement. If you missed the email sent earlier in the week, I accepted this award with Year 12 Prefect Kush Kumar on Tuesday evening at the Sydney Town Hall. The award was presented by Georgina Harrison, Secretary NSW Department of Education and is a significant public recognition of the school's sustained success.

Jane Caro AM, who hosted the event, noted that the Secretary's Achievement award is such a prestigious one because the bar for its presentation is set so high. Schools who receive this award demonstrate high achievement and student improvement which is both measurable and sustained.

The citation for the award from the program follows:

*Ashfield Boys achieves significant and measurable gains in student outcomes. These have been driven by evidence-based programs which strategically target areas of student need. A driver has been identifying efficacy as the common factor in promoting success. The power of efficacy has been harnessed through student voice in planning, a P&C which develops the whole community and teacher collective efficacy to drive learning. The success of the school's improvement journey is reflected in performance data including high level HSC results, value-add near the top of NSW, NAPLAN scores above NSW and SSG averages and wellbeing indicators above NSW norms.*

## MEASURING UP

Students from 7 Chang have been studying units of measurement and perimeter. As part of the topic the class investigated how these concepts are applied in building and construction. They completed several practical activities, measuring their heights as well as conducting surveys of various constructed areas around the school.

## JERSEY DAY

Jersey Day is all about raising awareness for Organ Donation. Jersey Day was a great day with so many staff and students supporting the cause and raising awareness whilst getting to show support for their favourite sporting team. One of the major messages of the day is to have a conversation with your loved ones about becoming an organ and tissue donor, it's important they know your wishes.

Kate Stitt of the English faculty is a passionate Jersey Day participant. She had several outfits on the day for the many teams she cheers for ranging from the New Orleans Pelicans to the Dunbar Poets.

Email: ashfieldbo-h.school@det.nsw.edu.au

## GRAPHICS: A UNIVERSAL LANGUAGE

Year 8 students are introduced to graphics and the importance of clearly documenting and communicating their designs. They learn how to create two-dimensional representations of three-dimensional objects by utilising perspective and orthographic projection techniques. They will also soon build shapes using cube blocks and then draw orthographic and isometric views of those shapes - which are the side views, such as top, front, and right.

*Mr Mahmud - TAS Teacher*

## MARKET DAY

Year 10 Commerce students ran Market Day on Friday Week 7 of this term. The day was a great opportunity for the students to put in to practice the business management skills they have studied in Commerce. It also allowed them to develop their entrepreneurial spirit with real world application of small business management. In total, fourteen small businesses operated with over \$3 000 in sales. Groups ranged from BBQs, manoosh, drinks, pizza, and cakes, through to dumplings. All groups sold out, and the festive atmosphere of the day was supported by Jersey Day running coincidentally.

In preparation for the event the boys conducted marketing research, including surveys and employed promotion and advertising techniques such as posters and announcements. They then put their financial skills into practice through procurement. Finally, on the day they prepared their stalls and food for sale. Thanks to the hard work of Ms. Duinker and Sardisco the day ran smoothly.

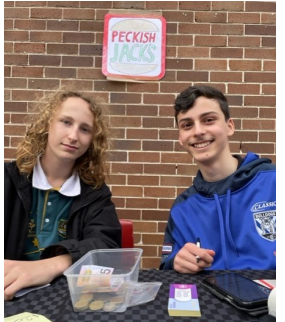

On behalf of our classes we would like to thank everyone who helped out on the day, including the HSIE Faculty, Ms Longman and Henry and, above all, Ms Duinker and Sardisco.

*Mr Bason and Ms Skelton - Commerce Teachers*

## FUTSAL UNDER 14S AND UNDER 15S

The ABHS junior Futsal teams have started the season on fire with back-to-back victories over Homebush and North Sydney. Star performers in the Under-14s squad have been Luca Fitzgerald, their captain and part time goalkeeper Patrick Walker and Jean Pierre Cares-Loyola who walked away from this week's game with a 4-goal haul.

The Under-15s have also been outstanding, with dominant performances in both of their games, proving far too strong for North Sydney this week in a convincing 8-1 victory. Key players Enoch Lin, Hussein Zeitoun and captain Luka Kaizak are shaping up for an excellent season

*Mr R Richardson - Teacher*

# Vaccinations

## NSW Schools Vaccination Program

**Year 7 students** will be having the second vaccination on **Thursday 15<sup>th</sup> September** during Periods 1-4.

Representatives from the NSW School Vaccination Program will attend Ashfield Boys High School from 8.30-12pm. I have included a link (see below) to the NSW Department of Health, which provides information regarding the school vaccination program in 26 languages and maybe of assistance.

[http://www.health.nsw.gov.au/immunisation/Pages/school\\_vaccination\\_language.aspx](http://www.health.nsw.gov.au/immunisation/Pages/school_vaccination_language.aspx)

Vaccine	Who is eligible?	Number of doses?
Diphtheria, Tetanus, and Pertussis (Whooping cough) - dTpa	All year 7 students	1

**Parents/guardians who wish to withdraw their consent for any reason may do so by providing the school with written notification**

If you have any questions, please call Ms Brown during school hours on 9798 6620 (Extension 120).

Regards

*Ms Brown*  
Head Teacher Wellbeing

## ALLERGEN ADVICE

A concept that we continually stress at our school is that we are a community and in successful communities people all look out for each other.

We reminded the boys in our daily notices this week about being careful of allergens and of the need to think about others. It would be great if parents could reinforce this at home. We ask that the boys do not share food with their friends because they may be totally unaware of the possible allergic or anaphylactic reactions that may result. We also have reminded the boys that we cannot guarantee that the school is allergen free and they need to take particular care if they have a known condition. While we actively discourage having nuts on site it isn't possible to guarantee this. If you could reinforce this in your discussions at home it would help us immensely.
