PRINCIPAL'S REPORT

Public Holiday Thursday 22nd September

I am sure that everyone is aware that next Thursday has been declared a public holiday as a day of mourning for Queen Elizabeth II. The school will be closed on Thursday even though the Year 12 Formal will continue in the evening as it was booked a year ago.

Apart from this and our flag flying at half mast, there are no other changes to our operations due to the passing of the Queen. I must say that the Deputies and I have had some great amusement over the past week at the "creative opportunism" that some of the boys have employed with the truth. At no stage has the school been closed so that the boys can mourn for the Queen. There is no condolence book at Ashfield Mall and were there to be one, I don't think it would be located in the Food Court! The Year 11 exams are not cancelled.

It was lovely to receive the following letter this morning from Murat Dizdar Deputy Secretary of Education.

Dear Dwayne

It gives me great pleasure to congratulate you and your school on receiving the 2022 Secretary's Award for School Achievement.

This prestigious award recognises NSW public schools that have successfully created a sustainable learning environment through a whole-of-school project. Schools that received this award were required to demonstrate significant improvement in learning outcomes and opportunities, excellence in student learning, maximising learning opportunities for all students as well as community leadership.

The diligence of staff is to be commended for their work on the Efficacy Led School Improvement project. This project identified collective efficacy of students, staff and community as a key factor in driving improved educational outcomes.

Efficacy was promoted across the entire school community by regularly seeking feedback, and consulting with stakeholders, throughout the teaching and learning cycle. This way, adjustments could be made as required to support the needs of students. The success of the project is reflected in student outcomes and performance data, including outstanding value-add, NAPLAN and HSC results.

The successful implementation of this project arises from having strong leadership, a shared vision, communicating effectively, working collaboratively, and being reflective of practice.

On behalf of the students at Ashfield Boys High School and in public schools across NSW, I thank you and your staff for your unwavering commitment to public education.

Yours sincerely

Murat Dizdar

CONGRATULATIONS

A big well done to our Year 8 student William Au. He submitted a work into the Photographic Competition called SPIN organised by the Art Gallery of Wollongong. To our delight he has won the Stage 4 category! This is what the judge had to say about his work

I am writing to inform you that your photographic entry, Rolled Away to our secondary (Years 7 & 8) photography competition "SPIN" is our winner! Congratulations. It was a humorous and clever depiction of the theme 'spin'.

We are VERY PROUD OF YOUR EFFORTS William, keep snapping away!

THE DIVINE PROPORTION

#ASHFIELD

8 Pemulwuy performed an activity on the Vitruvian Man using David (Year 12) as the model. They investigated the ratio of his body measurements and compared them with the golden ratio. They found out some intriguing things about the human body proportion.

TO ALL BUDDING PHOTOGRAPHERS

A wonderful opportunity to get involved and show your work in this wonderful competition. If you are interested, please see Ms Morris, in the CAPA staffroom, to receive further information.

HEARING SUPPORT STUDENTS EXCURSION

On Thursday 8 September 2022 an excursion for **school students (K-10) on itinerant hearing caseload** was organised to *The Museum of Contemporary Art, Sydney* with the Lugarno and Burwood Hearing Teams. Ashley, Gabriel and Jack from Year 10 attended. Students participated in the Bella Schools Program. This program provided creative learning opportunities which encouraged students to explore and communicate through art.

During this program, students had the opportunity to develop new art making skills, with emphasis on social interaction, collaboration and enjoyment. When the program concluded, students had lunch and participated in game activities. This excursion was a great opportunity for students to meet and get to know other deaf or hard or hearing students on caseload with the Lugarno and Burwood Hearing Teams.

YEAR 9 MUSIC ENSEMBLE

"Unity is strength... when there is teamwork and collaboration, wonderful things can be achieved." Mattie Stepanek

During Week 9, Year 9 Elective Music students completed their practical assessment for the unit studied, Music for Small Ensembles. This unit has allowed students to learn about a variety of ensembles across different genres and learn about the roles of instruments within these groups. Students worked carefully with their peers to select a performance piece and arrange it accordingly to suit their instruments and skill level. The boys did a wonderful job with their performances.

Music Teacher*

WOODEN CLOCK DESIGN

Year 10 Industrial Technology timber students need to develop a design for their clock and then construct it using different skills and materials in the workshop.

COMBINED HIGH SCHOOL ATHLETICS CHAMPION

Congratulations to Lian Anagnostopoulos who won Triple jump at the Combined High Schools (CHS) Athletics Championships last week. Lian also placed 6th in the high jump. He will be competing at All Schools Championships during the holidays in Triple jump, high jump and long jump. This is an amazing achievement.
